

CROYDON BOROUGH SWIMMING ASSOCIATION 2023 CHAMPIONSHIPS

The Croydon Borough Swimming Association (CBSA) is a volunteer organisation led by a small committee which aims to promote and encourage the teaching and practice of swimming within the Borough. One of the CBSA's main roles is to promote and organise the annual swimming championships. Swimmers are invited from all local affiliated Croydon Clubs along with those that live in the Borough of Croydon.

This year the gala took part over the weekend of the 11/12 March at Whitgift Pool with many promising personal bests and highlighted the young and encouraging emerging talent in the Borough's clubs. Swimmers from the following clubs took part: Bromley SC (BRYL), Croydon Amphibians SC (CASC), South Croydon SC (SCSC), Whitgift School SC (WHSL), Woodside & Thornton Heath SC (W&TH) Oliver Handley (CASC) was the most successful swimmer at the Championships topping the podium on eight occasions. Imogen Dolling also from CASC produced impressive performances in the 11/12 year old age group in the 100m Backstroke and Breaststroke. The 9/10 year old age group also produced impressive performances from Lucas Jensen, Oliver Lazlo from SCSC and the CASC girls of Madeline Syme, Maddy Janowski, Isobelle Stone and Anna Moorhouse. The future of swimming is looking bright and well supported by our Croydon Clubs and their coaching teams.

Special awards each year are presented by the CBSA to the most outstanding performance by a girl and a boy under 16 years of age from the results recorded at the previous year's Championship. The 2022 awards were won by brother and sister Harry Chaudhury and Charlotte Chaudhury both members of Croydon Amphibians for their results at 2022's championship.
